2022 ENVIRONMENTAL Tour México

- See in person the Problem of pollution in the places where we are going to visit.
- Brainstorm with local Rotarians for the possible solutions.
- Learn about and participate in the environmental projects that Rotary clubs have been carrying out for the last few years:
Reforestation, River Clean Up, Water Treatment, Environmental Education.
- Participate in taking water tests in the rivers.
- Participate in reforestation projects tree monitoring, planting and maintenance.
- Learn about the steps Rotarians have taken with universities and civil society.
- Cooperation between Rotary clubs in Mexico and the United States.
- Experience some the Local Culture with the best guides, the local Rotarians.
- Meet your new Rotary friends whom are waiting for you with open arms.
